Description

Fonds Olivier Brard, disques à aiguille de dimension 30cm (ou 12 inches). Tous 'taggés' Jazz, les disques ne sont pas triés dans les différents lots. Relativement peu nombreux dans nos collections, ces disques couvrent néanmoins toute la 'période de production' des 78 tours. Notons avant 1940, des labels comme Brunswick, COLUMBIA, DECCA, GRAMOPHONE (et variantes), Pathé, Victor, édités souvent conjointement dans plusieurs pays (France, UK, USA, ...). Nous y retrouvons les célébrités de l'époque: Savoy Havana Band, Paul Whiteman, Jack Hilton, Ray Ventura, Aimé Barelli... mais aussi Benny Goodman ou Fats Wallers. Pour l'Allemagne, avant 1940, nous trouvons ODEON, PARLOPHON, POLYDOR, VOX avec de nombreux orchestre de danse (typiquement Marek Weber). Les disques des années 40 et 50 comportent beaucoup de labels français consacrés au Jazz, BLUE STAR, JAZZ SELECTION, JAZZ SOCIETY, SOCIETE FRANCAISE DE GRAMOPHILIE, ... Sous-inventaires: -- swing disques SWING. -- vdisc : 78t vinyle 30cm (12 inches) édités par le U.S. Government pendant les années 40: -- usg: idem Overseas Branch (programmes de radio).
