## **Activities**

Our projects are oriented towards the optimization of archives donated to CEMJazz.

## Classify, store, do the inventory

First of all we classify and store the different holdings then we make an inventory so as to create a database available on this site.

## Bring life to this place

The CEMJazz site is not only a place for archives but it also welcomes visitors, amateurs as well as researcherss... It is also possible to consult the finest pieces of our collections.

## **Bring Life to archives**

To bring our archives to life	, we welcome any project that all	ows as to showcase the different co	ollections (festival, exhibition,).
